**Providence, RI:** WaterFire Providence, with the assistance of Rhode Island Governor Lincoln Chafee, is proud to announce the first ever full WaterFire lighting dedicated to Veterans and their families on Saturday, November 9, 2013: The WaterFire Salute to Veterans. “I am pleased that *WaterFire* will be honoring the fine men and women and their families who have and currently sacrificed so much for our State. Rhode Island must be a place that honors and respects them by doing all we can during and after their service. On behalf of the State of Rhode Island, I thank Alex and Ani for sponsoring this salute to the men and women who have worn and are currently wearing the uniform of our nation.”

- Governor Lincoln Chafee

The WaterFire Salute to Veterans will be the largest celebration of its kind, as all facets of the Rhode Island and military communities come together to thank and honor those that have dedicated their lives to our country and our community. "The men and women of the Rhode Island National Guard, who have served and sacrificed during a decade of war, are extremely humbled and appreciative of the outpouring and support from the great citizens of Rhode Island. The gratitude and genuine awareness of that sacrifice expressed by our citizens during this difficult period, is a point of pride throughout the entire force."
