

June 28th, 2014  
**Shared Voices**  
**Project**

9:06 **“Amazing Grace”**  
performed by Ladysmith Black Mambazo

Amazing Grace, how sweet the sound,  
That saved a wretch like me.  
I once was lost but now I'm found,  
Was blind, but now can see.

T'was Grace that taught my heart to fear.  
And Grace, that fear relieved.  
How precious did that Grace appear  
On the hour I first believed.

Amazing Grace, how sweet the sound,  
Amen, Amen  
Hallelujah

9:10 **“Rivers of Babylon”**  
performed by The Melodians

By the rivers of Babylon  
Where he sat down  
And there he wept  
When he remembered Zion

'Cause the wicked carried us away (in) captivity  
Required from us a song  
How can we sing King Alpha's song  
In a strange land?

'Cause the wicked carried us away (in) captivity  
Required from us a song  
How can we sing King Alpha's song  
In a strange land?

Sing it out loud!  
Sing a song of freedom, brother!  
Sing a song of freedom, sister!

We gonna walk and sing it.  
We gonna sing and shout it yeah, yeah!  
Shout the song of freedom now.

So, let the words of our mouth  
And the meditation of our heart  
Be acceptable in Thy sight. Oh, Fari.

So, let the words of our mouth  
And the meditation of our heart  
Be acceptable in Thy sight. Oh, Fari.

We got to sing it together  
Everyone. La la la la

By the rivers of Babylon,  
Where he sat down  
And there he wept  
When he remembered Zion.

'Cause the wicked carried us away (in) captivity  
Required from us a song  
How can we sing King Alpha's song  
In a strange land?

'Cause the wicked carried us away (in) captivity  
Required from us a song  
How can we sing King Alpha's song  
In a strange land?

9:13 **“Love Will Guide Us”**  
composed by Sally Rogers  
performed by Twin Cities Women's Choir

Love will guide us peace has tried us  
Hope inside us will lead the way  
On the road from greed to giving  
Love will guide us through the hard night

If you cannot sing like angels  
If you cannot speak before thousands  
You can give from deep within you  
You can change the world with your love

You are like no other being  
What you can give no other can give  
To the future of our precious children  
To the future of the world where we live

Hear the song of peace within you  
Head the song of peace in your heart  
Each new beginning shall lead to the harvest  
Love will guide us on our way  
Love will guide us peace has tried us  
Hope inside us will lead the way  
On the road from greed to giving  
Love will guide us through the hard night.

9:15 **“Love is my Religion”**  
composed by David Marley  
performed by Ziggy Marley

I don't condemn, I don't convert,  
This is a calling have you heard  
Bring all the lovers to the fold,  
No one is gonna lose their soul  
All my days I been searching,  
To find out what this life is worth  
Through the books I've looked,  
Through time I've searched

Love is my religion  
Love is my religion  
Love is my religion  
All we need is love

I don't want to fight,  
Hey let's go fly a kite  
There's nothing we can't cure,  
And I'll keep you in my arms for sure  
So don't let nobody stop us,  
Free spirits have to soar  
With you I share this gift,  
This gift that we now know

Love is my religion  
Love is my religion  
Love is my religion  
All we need is love  
All we need is love

I don't condemn, I don't convert,  
This is the calling have you heard  
Bring all the lovers to the fold,  
No one is gonna lose their soul

Love is my religion  
Love is my religion  
Love is my religion  
All we need is love  
All we need is love  
All we need is love  
All we need is love

9:20 **“All You Need is Love”**  
composed by John Lennon and Paul McCartney  
performed by The Beatles

Love, love, love, love, love, love, love, love, love, love.  
There's nothing you can do that can't be done.  
Nothing you can sing that can't be sung.  
Nothing you can say, but you can learn  
How to play the game  
It's easy.

Nothing you can make that can't be made.  
No one you can save that can't be saved.  
Nothing you can do, but you can learn  
How to be you in time  
It's easy.

All you need is love, all you need is love,  
All you need is love, love. Love is all you need.  
Love, love, love, love, love, love, love, love, love, love.  
All you need is love, all you need is love,  
All you need is love, love. Love is all you need.

There's nothing you can know that isn't known.  
Nothing you can see that isn't shown.  
There's nowhere you can be that isn't where  
You're meant to be  
It's easy.

All you need is love, all you need is love,  
All you need is love, love. Love is all you need.  
All you need is love. (All together now).  
All you need is love. (Everybody).  
All you need is love, love. Love is all you need.  
Love is all you need.  
Love is all you need.
